

From Darkness to Light

By: Gitty Zee

Exile in Egypt -
A period of darkness and despair.
Such hardship and sorrow,
Uncertainty and fear.

Yet through the darkness came
A miraculous salvation
G-d sent Moshe
To redeem His nation.

Through the desert
The Jews wandered for 40 years,
Upon every step of their way
The hand of G-d did appear.

In our own lives,
Darkness may descend
Yet we must always look for
The light that G-d will send.

Even in the darkest of times
There's always a spark of hope;
A constant reminder
That G-d gives us the strength to cope!

The holiday of Passover
Teaches us each year
This message of faith,
That makes our path clear.
